

He'll Take The Pain Away

Kirk Franklin

**He'll take the pain away, I know
He'll take the pain away (x2)**

Though you've been searchin for such a long time
Searchin for hope and some peace of mind
There's a friend who would step in on time
He'll take the pain away
He'll take the pain away

Chorus

You've been searching all of here and all of there
And all God can take the pain away
And I tried him for my self, and im a living wittness
That God will take the pain away.

Though you've been searchin for such a long time
Searchin for hope and some peace of mind
There's a friend who would step in on time
He'll take the pain away
He'll take the pain away

Chorus

If any man be in Jesus
He'll take the pain away
If any man be in Jesus brand new
He'll take the pain away (x2)

Chorus

He'll take the pain away, I know
He'll take the pain away (x8)

He'll take the pain away (x4)

OoOooOoOoOo (x4)

He'll take the pain away. (x5)
